The "Lauren Daigle World Tour" features an all new stage production, design and set list that will be highlighted by Daigle's raw vocal power and stage presence. She'll feature some of her hits, including her latest single "Rescue" and the double-Platinum selling #1 single "You Say," as well as tracks from her previous platinum-selling album, *How Can It Be*. Folk/soul duo JOHNNYSWIM will join Daigle on select US dates.

To exclusively announce the upcoming dates, iHeartMedia's LiteFM on-air personalities, Cubby and Christine, hosted an iHeartRadio Special Announcement with Daigle at iHeartMedia headquarters in New York. The event included an intimate performance and Q&A which streamed live on iHeartRadio's YouTube. In addition, iHeartMedia will broadcast portions of the Q&A on LiteFM on September 17.
